

TELEPHONE FEATURES

DO NOT DISTURB, USING ITE-12+, 12S, 24, AND 30S

Do Not Disturb (DND) button acts as a toggle switch, alternately *blocking* incoming calls (the DND lamp is ON) and *unblocking* incoming calls (the DND lamp is OFF).

To block/unblock incoming calls:

- 1** Do not lift the handset.
- 2** Press **DO NOT DISTRB**.
- 3** The **DO NOT DISTRB** lamp should be ON/OFF.
