2. Washington, D.C. Office

Biosciences Area

3. Biological Systems & Engineering
4. Environmental Genomics & Systems Biology
5. Joint Genome Institute
6. Molecular Biophysics & Integrated Biology
7. Aquatic Park Ops Center
8. Area Office
9. Emeryville Stations Ops Center
10. University Hill Ops Center
11. Walnut Creek Ops Center

Energy Sciences Area

12. Chemical Sciences Division
13. Advanced Light Source Division
14. Material Sciences Division

Computing Science Area

15. Scientific Networking Division
16. Computational Research Division (CRD)
17. National Energy Research Scientific Computing Center (NERSC)
18. Computing Sciences Directorate (shared administration for CRD and NERSC)

Physical Sciences Area

19. Accelerator Technology & Applied Physics Division
20. Engineering Division
21. Nuclear Science Division
22. Physics Division

Energy Technologies Area

23. Building Technology & Urban Systems
24. Energy Analysis & Environmental Impacts

LBNL Layoff Units

Effective: October 1, 2015

- 25. Energy Storage & Distributed Resources
- 26. Cyclotron Road
- 27. ETA Area Office

Earth & Environmental Sciences Area

- 28. Climate & Ecosystems
- 29. Energy Geosciences

 - Public Affairs
32. Environment | Health | Safety | Security Division
33. Protective Services
34. Facilities Division
35. Information Technology Division

Human Resources

36. HR Center – Biosciences, Energy Sciences
37. HR Center – Computing Science, IT, Physical Sciences, Recruiters
38. HR Center – Operations Laboratory Directorate
39. HR Center – Energy Technology, Earth & Environmental Sciences
40. HR Core Services
41. HR Shared Services

Office of the Chief Financial Officer

42. OCFO Central (non-matrixed) Staff

OCFO Field Services:

43. Field Operations – Accelerator Technology & Applied Physics Division
44. Field Operations – Advanced Light Source
45. Field Operations – Biosciences
46. Field Operations – Chemical Sciences
47. Field Operations – Computing Sciences
48. Field Operations – Energy Technologies
49. Field Operations – Engineering
50. Field Operations – Environment | Health | Safety
51. Field Operations – Environmental & Earth Sciences
52. Field Operations – Facilities
53. Field Operations – Information Technology
54. Field Operations – Materials Sciences
55. Field Operations – Nuclear Sciences
56. Field Operations – Operations
57. Field Operations – Physics
58. Controller's Office – Technology Transfer
59. Procurement – JGI
