

REVISION HISTORY

| Rev No. | Rev Date | Section | Brief Description of Revision |
|---------|------------|-----------------------|--|
| 0 | Feb. 2006 | All | "Construction Standards and Design Requirements" created to integrate and revise several design documents into one source. The CS&DR includes: Volume 1: Requirements and Standards; Volume 2: Construction Standards; Volume 3: Standard Details; and Volume 4: Resource Documents. |
| 1 | 04/16/2007 | All | Renamed to "Construction Details and Design Guidelines" to be more of a service organization per the Facilities Division Strategic Plan. |
| 2 | 03/24/2015 | Vol. 1 | Major refresh of Vol. 1, Part I, Administrative Requirements, and Part II, Design Requirements. |
| 3 | 04/09/2015 | Vol. 1 | Revised Vol. 1, Part II, Design Requirements, to update Section 11, General Electrical Requirement to meet requirements of Integrated Electrical Safety Program Improvement Plan (ESIP). |
| 4 | 05/29/2015 | Vol. 1, front docs | Revised Vol. 1, Part II, Design Requirements, to add requirement of less than 40 Cal/cm ² in the Arc Flash evaluation. Added "Review and Approval" and "Revision History" pages. |
