Facilities Division Safety Web Site

The screenshot displays the Berkeley Lab website interface. At the top, the Berkeley Lab logo and 'LAWRENCE BERKELEY NATIONAL LABORATORY' are visible, along with the U.S. Department of Energy logo. A navigation bar includes links for 'About The Director', 'About The Lab', 'Recovery Act', 'Visitor's Guide', 'For Staff and Guests', 'Calendar', 'Lab Breakthroughs and more', and 'News Center'. Below this, a horizontal menu lists topics like 'Bringing Science Solutions to the World', 'Carbon Cycle 2.0', 'Spring 2013 "10 on the Way" List', and 'Globally Transformative Technologies'. The main content area features several news items: 'New Insight into an Emerging Genome-Editing Tool' with an image of two researchers, 'Berkeley Lab Startup Wants to Know: How Damaged is Your DNA?' with a photo of a building, and 'Peppyptides: Interactive Models of Polypeptide Chains' with a photo of people working. A sidebar on the right contains 'SCIENTIFIC DIVISIONS', 'OUR SCIENTIFIC MISSION', and 'NEWS CENTER' with sub-links for 'Press releases, features, videos' and 'Photo Archive'. The bottom of the image shows a Windows taskbar with several open applications.

Action Items

Issue	Solution	Location	Reported Date	CATS #	Status	RI
Employees can be struck by or blocked by vehicles parking in front of shop	Bollards to be installed in front of Plumbers shop	B 78	January 8 2014		Discussed with Cesar Sanches/brought to FAPAR committee	Janice Sexson

March Roundtable Homework

Reporting Injuries

- Is there a reluctance to go to Health Services?
- If so why?
- Are employees comfortable discussing injuries during injury reviews?
- Why do employees delay?
- What would employees like to change about the process?

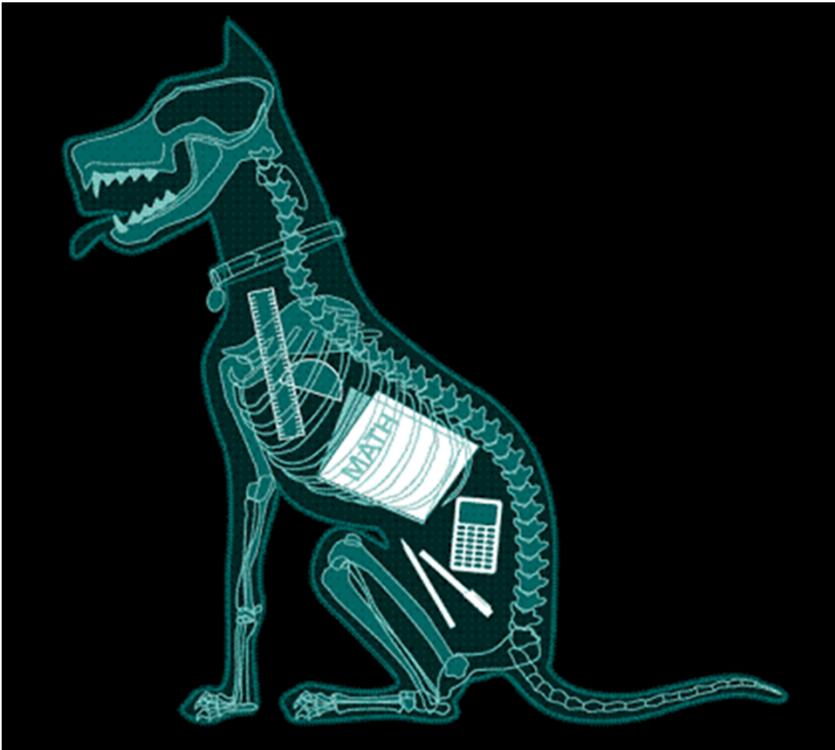

Round Table Discussion

Marks the exchange of ideas and opinions on equal terms.

Round table Homework

Personnel Protective Equipment

- What PPE issues exist for your group?
 - Do you have access to the PPE needed
 - Is the PPE fitting, lasting, protecting correctly?
 - Consider safety glasses, shoes, gloves, hearing protection, fall protection, hard hats etc.
