  Enrollment/Benefit Changes

  **ELIGIBILITY**
  Most employees are eligible for benefits, but your benefits package depends on the length of your appointment, how many hours you work, and your appointment type.

  **ENROLLMENT**
  You can enroll yourself and your family members in benefit plans at different times during your career. Here’s a quick rundown of your options.

  If you are a new employee
  If you have a newly eligible family member
  If you are a current employee and become eligible
  If you lose other group insurance, you have 31 days from the date you lost you medical coverage to enroll into your Lab sponsor medical, dental, and vision plans. Please complete the Enrollment, Change, Cancellation, or Opt Out—Employees Only Form -UPAY 850 Form and submit to the Benefits office with a copy of the Loss of coverage notice.
**Period of Initial Eligibility (PIE)**

If you are newly hired, you have a period of initial eligibility (PIE) during which you may enroll yourself and your eligible family members. Your PIE starts on the first day of eligibility (for example, the day you begin work in a position that makes you eligible for benefits). The PIE ends 31 days later, or, if the 31st day falls on a weekend, the next work day.

**Medical Cards**

Medical cards should arrive within 6 - 8 weeks after the employee enrolls into their Medical plan. Medical cards are mailed to the employee's home address by the Medical insurance plan.

BENEFIT CHANGES
When you need to use your benefits, make sure you know what steps to take and when to take them. Here are some “roadmaps” for using your benefits when you have a major life change.

If you are:

- A new employee
- A transferring employee to the Lab from another UC campus location
- Adding a family member
- Establishing a domestic partnership
- Getting married
- Having a baby
- Leaving employment
- Preparing for retirement
- Taking a leave of absence (please read also the following important information regarding the continuation of your benefits coverage while you are on a leave of absence, as a Lab employee)

As a Lab employee, there are specific actions that you must take, whether or not you wish to continue your benefits coverage when you are on a leave of absence.

For example, if you wish to continue your benefits coverage, you must submit your first month’s premium payment, and the following months’ premium payments, in the exact payment amounts and within a timely manner, to the Lab's Benefits Office; late payments and/or incorrect amounts may result in the termination of your benefits coverage.

In person: Building 90P Trailer, Room 129
By mail: One Cyclotron Road
    MS 90P-0101, Berkeley, CA 94720
By fax: (510) 486-6009

It is very important that you know the specific details of your premium payment schedule(s) and amount(s). To obtain this information, you will need to contact the Lab's Benefits Office:

Phone: (510) 486-6403
Fax: (510) 486-6009
Email: benefits@lbl.gov
Mailstop: MS 90P-0101
Location: Building 90P Trailer, Room 129

You should discuss with your supervisor/manager about your request for a leave and also review the leave information if you are unsure of what type of leave to take.

CHANGING JOBS WITHIN THE LAB/UC

If you take a job at another department within the Lab or another UC campus, you keep your seniority and your benefits move with you as long as you make the transfer within 120 days of leaving your previous location.

Even if you take a job at another UC location after 120 days have passed, you should make sure your new location knows about your previous service so your records can be coordinated.

When you transfer, you may not change your insurance benefits. You'll keep your current enrollments at your new location. You should not use At Your Service Online to enroll in your benefits at your new location, unless your plan is not available in your new location. If your plan is not available at your new location, you'll be able to choose a new one. To do so, you'll need to fill out an **UPAY 850 form** and turn it in to the benefits office at your new location.

Contact your existing and new benefits office to let them know that you are transferring to make sure your vacation, sick, UCRP service credit and other benefits records transfer seamlessly.

SOME QUALIFYING LIFE EVENTS

- A transferring employee to the Lab from another UC campus location
- Adding a family member
- Having a baby
- Getting married
- Establishing a domestic partnership
- Taking a leave of absence
- Preparing for retirement
- Leaving employment

**Period of Initial Eligibility (PIE)**

When you have a qualifying life event — such as the birth/adoptive of a child, marriage, involuntary loss of coverage, death,
change in your employment status – you have a period of initial eligibility (PIE) during which you may enroll yourself and your eligible family members or make changes to your benefit plans, outside of the annual Open Enrollment period. Your PIE starts on the onset of the event (for example, the day you begin work in a position that makes you eligible for benefits). The PIE ends 31 days later, or, if the 31st day falls on a weekend, the next work day.

LEAVES OF ABSENCE

Life happens – both good and bad – and sometimes that means you may need to take a leave of absence from your job. Regardless of the reason for your leave, you should talk to your supervisor, manager, or department head about taking a leave of absence. It’s best to do this as soon as your need for a leave arises, so your department can plan for your absence. You may need to continue to be covered by any benefits for which you are eligible.

As a Lab employee, there are specific actions that you must take, whether or not you wish to continue your benefits coverage when you are on a leave of absence.

For example, if you wish to continue your benefits coverage, you must submit your first month’s premium payment, and the following months’ premium payments, in the exact payment amounts and within a timely manner, to the Lab’s Benefits Office; late payments and/or incorrect amounts may result in the termination of your benefits coverage.

It is very important that you know the specific details of your premium payment schedule(s) and amount(s). To obtain this information, you will need to contact the Lab’s Benefits Office:

Phone: (510) 486-6403
Fax: (510) 486-6009
Email: benefits@lbl.gov
Mailstop: MS 90P-0101
Location: Building 90P Trailer, Room 129

You should discuss with your supervisor/manager about your request for a leave and also review the leave information if you are unsure of what type of leave to take.

Sutter Health

Employees who use Sutter Medical Group or are assigned to a medical group that uses a Sutter Health Hospital

The existing contract between Health Net and Sutter is set to expire on December 31, 2016. Health Net and Sutter Health are currently engaged in contract negotiations; however, if they are unable to arrive at an agreement, Sutter Health Physicians, Medical Groups, and Hospitals will no longer participate in UC’s Health Net Blue & Gold network.

If a contact is not reached Blue & Gold members would no longer have access to Sutter providers and hospitals, it is possible for both sides to continue negotiating in good faith beyond the contract expiration date and the issues are often resolved.

**No action is needed at this time.** In the event Sutter Health is terminated from the Health Net Blue & Gold network, impacted members will receive the following:

- 60-day written notice from Health Net of your new Primary Care Physician and Medical Group with the option to select a new Medical Group or Physician.
- A special Period of Initial Enrollment (PIE) sponsored by the University of California, offering you the option to change medical plans for 2017.
- Continuation of care assistance may be available if you, or a covered dependent, are currently receiving ongoing medical treatment with a Sutter Health provider.

If you have any questions or concerns, please contact Health Net at 1-800-539-4072
