Convention on the Rights of Persons with Disabilities  
The Convention on the Rights of Persons with Disabilities (CRPD) is an international disability treaty that was inspired by U.S. leadership in recognizing the rights of people with disabilities. The CRPD is a vital framework for creating legislation and policies around the world that embrace the rights and dignity of all people with disabilities. The Americans with Disabilities Act (ADA) was the model for the CRPD, which values of independence and respect and concept of reasonable accommodation are echoed throughout the treaty.

Depression and Disability

Disabled Students’ Program at UC Berkeley

The Disabled Students’ Program (DSP) is committed to ensuring that all students with disabilities have equal access to educational opportunities at UC Berkeley. We offer a wide range of services for students with disabilities. These services are individually designed, and based on the specific needs of each student as identified by our Disability Specialists.  http://dsp.berkeley.edu/

Disability Benefits

Disability.gov’s Benefits section provides a broad range of resources about Social Security disability benefits and assistance programs and services for people with disabilities, seniors and their families. In addition, we have developed this guide to connect you to programs, services, and government agencies that provide disability benefits for people with disabilities, including children and Veterans.

Disability.gov

Welcome to Disability.gov, the federal government website for people with disabilities, their families, friends and organizations that serve them. Disability.gov connects you to important information about disability benefits, health care, and housing programs, as well as tools and resources for students making the transition from high school to college or work. You’ll also learn about programs in your community that can help you find a job, access transportation and get the services and supports you need to live independently. Let Disability.gov guide you to the information you’re looking for!  https://www.disability.gov/

Disability and Health

Disability Blog

Disability.Blog, the official blog of Disability.gov, features weekly posts from subject matter experts who answer questions and address important topics for people with disabilities, their families and others. For example, popular guest blogs have discussed job accommodations, emergency preparedness for people with disabilities, restraint and seclusion in schools and older driver safety.

Aligning with the mission of its managing partner, the U.S. Department of Labor’s Office of Disability Employment Policy, Disability.gov uses its blog to provide leadership and to promote full inclusion in the workforce and communities nationwide. Once a month, Disability.gov asks community leaders to answer reader-submitted questions about employment, as part of its Career Connection Series. http://usodep.blogs.govdelivery.com/
