National Postdoc Association

At Berkeley Lab, we hold a sustaining membership allowing our Postdoctoral Scholars a free Affiliate Membership. This membership allows you access to resources such as the NPA Core Competencies, myPostdoc Monthly webinars, important information on mentoring plans, and be part of a nationwide network of postdocs.

Signing up is simple. Click on this link and follow the registration process. Once you click “Submit” the NPA Membership Manager will review your Affiliate membership within five working days, and you will receive an email when it has been approved. Please contact Meg Rodriguez mmrodriguez@lbl.gov for any questions.

Postdoctoral Scholar Benefits

Open enrollment meetings with Garnett Powers will be held on November 2, 2017. There will be two sessions:

10:00am-11:00am - Building 50 Auditorium (this session will be live streamed)

2:00pm-3:00pm - Building 66 Auditorium

We had a meeting on 8/29/17 to discuss upcoming changes for Postdocs hired prior to 1/1/17. If you were unable to attend, our meeting was recorded and is available for viewing at: https://video.lbl.gov/1/Watch/905.aspx
Other resources from this meeting include the PowerPoint presentation and Transition Guide.

For Postdocs hired after 1/1/17 you may review our Postdoc Benefits presentation. You may also visit Garnett-Powers website for more detailed information.

Other available benefits:
- Back-Up Dependent Care

Meet a Postdoc Scholar

Postdoctoral scholars are the lifeblood of any research institution. Too often, though, they work in relative anonymity before heading off to their own scientific careers across the country and around the world. The “Meet a Postdoc” video series turns some much-needed light on this important segment of Berkeley Lab’s population and offers a chance to learn more about them as individuals while they are in our midst. Go here to view the videos.
