Lab’s Abergel Receives ACS Rising Star Award for Women Scientists

Jim Kwak posted on Oct 26, 2016

WASHINGTON DC, October 26, 2016 – The award, sponsored by the Women Chemists Committee of the American Chemical Society, was established to help promote retention of women in science. Chemical scientist Rebecca Abergel is
among the 2017 recipients. Watch Abergel explain creating a pill to treat radiation exposure at a 2014 Science at the Theater event.
