Enrollment/Benefit Changes
ELIGIBILITY
Most employees are eligible for benefits, but your benefits package depends on the length of your appointment, how many hours you work, and your appointment type.

Benefits Eligibility for Employees
Benefits Orientation / The Benefits of Belonging (video)

ENROLLMENT
You can enroll yourself and your family members in benefit plans at different times during your career. Here's a quick rundown of your options. This is the enrollment form* you would need to make the changes.

- If you are a newly eligible employee
- If you have a newly eligible family member
- If you are a current employee and become eligible
- If you lose other group insurance, you have 31 days from the date you lost your medical coverage to enroll in your Lab sponsor medical, dental, and vision plans. Please complete the Enrollment, Change, Cancellation, or Opt-Out—Employees Only Form -UPAY 850 Form and submit to the Benefits office with a copy of the Loss of coverage notice.

Period of Initial Eligibility (PIE)
If you are newly hired, you have a period of initial eligibility (PIE) during which you may enroll yourself and your eligible family members. Your PIE starts on the first day of eligibility (for example, the day you begin work in a position that makes you eligible for benefits). The PIE ends 31 days later, or, if the 31st day falls on a weekend, the next work day.

Medical Cards
Medical cards should arrive within 6 - 8 weeks after the employee enrolls in their Medical plan. Medical cards are mailed to the employee’s home address by the Medical insurance plan.

**BENEFIT CHANGES**
When you need to use your benefits, make sure you know what steps to take and when to take them. Here are some "roadmaps" for using your benefits when you have a major life change.

If you are:

- A new employee
- A transferring employee to the Lab from another UC campus location
- Adding a family member
- Establishing a domestic partnership
- Getting married
- Having a baby
- Leaving employment
- Preparing for retirement
- Taking a leave of absence (please read also the following important information regarding the continuation of your benefits coverage while you are on a leave of absence, as a Lab employee)

As a Lab employee, there are specific actions that you must take, whether or not you wish to continue your benefits coverage when you are on a leave of absence.

For example, if you wish to continue your benefits coverage, you must submit your first month's premium payment, and the following months' premium payments, in the exact payment amounts and within a timely manner, to the Lab's Benefits Office; late payments and/or incorrect amounts may result in the termination of your benefits coverage.

In person: Building 90P Trailer, Room 129
By mail: One Cyclotron Road
MS 90P-0101, Berkeley, CA 94720
By fax: (510) 486-6009

It is very important that you know the specific details of your premium payment schedule(s) and amount(s). To obtain this information, you will need to contact the Lab's Benefits Office:

Phone: (510) 486-6403
Fax: (510) 486-6009
Email: benefits@lbl.gov
Mailstop: MS 90P-0101
Location: Building 90P Trailer, Room 129

You should discuss with your supervisor/manager about your request for a leave and also review the leave information if you are unsure of what type of leave to take.

CHANGING JOBS WITHIN THE LAB/UC

If you take a job at another department within the Lab or another UC campus, you keep your seniority and your benefits move with you as long as you make the transfer within 120 days of leaving your previous location.

Even if you take a job at another UC location after 120 days have passed, you should make sure your new location knows about your previous service so your records can be coordinated.

When you transfer, you may not change your insurance benefits. You'll keep your current enrollments at your new location. You should not use At Your Service Online to enroll in your benefits at your new location unless your plan is not available in your new location. If your plan is not available at your new location, you'll be able to choose a new one. To do so, you'll need to fill out a UPAY 850 form and turn it into the benefits office at your new location.

Contact your existing and new benefits office to let them know that you are transferring to make sure your vacation, sick, UCRP service credit and other benefits records transfer seamlessly.

SOME QUALIFYING LIFE EVENTS

- A transferring employee to the Lab from another UC campus location
- Adding a family member
- Having a baby
- Getting married
- Establishing a domestic partnership
- Taking a leave of absence
- Preparing for retirement
- Leaving employment

Period of Initial Eligibility (PIE)

When you have a qualifying life event – such as the birth/adoption of a child, marriage, involuntary loss of coverage, death, change in your employment status – you have a period of initial eligibility (PIE) during which you may enroll yourself and your eligible family members or make changes to your benefit plans, outside of the annual Open Enrollment period. Your PIE starts at the onset of the event (for example, the day you begin work in a position that makes you eligible for benefits). The PIE ends 31 days later, or, if the 31st day falls on a weekend, the next work day.

LEAVES OF ABSENCE

Life happens – both good and bad – and sometimes that means you may need to take a leave of absence from your job. Regardless of the reason for your leave, you should talk to your supervisor, manager, or department head about taking a leave of absence. It's best to do this as soon as your need for leave arises, so your department can plan for your absence. You may need to continue to be covered by any benefits for which you are eligible.

As a Lab employee, there are specific actions that you must take, whether or not you wish to continue your benefits coverage when you are on a leave of absence.
For example, if you wish to continue your benefits coverage, you must submit your first month's premium payment, and the following months' premium payments, in the exact payment amounts and within a timely manner, to the Lab's Benefits Office; late payments and/or incorrect amounts may result in the termination of your benefits coverage.

It is very important that you know the specific details of your premium payment schedule(s) and amount(s). To obtain this information, you will need to contact the Lab's Benefits Office:

Phone: (510) 486-6403  
Fax: (510) 486-6009  
Email: benefits@lbl.gov  
Mailstop: MS 90P-0101  
Location: Building 90P Trailer, Room 129

You should discuss with your supervisor/manager about your request for a leave and also review the leave information if you are unsure of what type of leave to take.

WageWorks
The WageWorks Commuter Benefits enable Lab employees to save money by using pretax dollars to pay for their commuter expenses.

How it works:

Employees place their orders directly through WageWorks by the 10th of each month for the fulfillment of their next month’s elections. Payroll deducts the employee elections from their paycheck once a month.

Employees can enroll, make changes or cancel their enrollment order and payroll related transactions by the monthly cut-off date by the 10th of each month.

Employees receive their elected orders from WageWorks by the 1st of each month, mailed to their home address or any location specified.

Where to use it:

The WageWorks Commuter Benefits cover a wide range of commuting options, including bus, train, ferry, cable car, and vanpool. Below are just some Bay Area public transit options for your WageWorks Commuter Benefits:

- Muni bus and rail
- BART
- Caltrain
- Altamont Commuter Express
- Solano Express
- AC Transit
- Santa Clara VTA
- Alameda-Oakland Ferry
- Blue and Gold Fleet

For additional information about the WageWorks Commuter Benefits, including the monthly tax-free allowable limits, contact the WageWorks Customer Service directly by calling (877) 924-3967 or visiting the website -- click on Employees and Commuter...
Benefits.

When you're ready to sign up as a new employee participant, go to the WageWorks website.

1. click on LOG IN/REGISTER, then select Employee Registration and follow the rest of the prompts in order to complete your registration process.

2. The “ID code” is the last 4 of your social security number.
