- SHOUT! For Women Veterans - Inspired by the notion that the arts encourage expression and healing. This ongoing initiative celebrates the service of the female veteran but recognizes that distinction is borne with issues specific to women. Our policies and concerns should reflect awareness to serve all veterans effectively and fairly.
- Swords to Plowshares - Community-based, not-for-profit veteran service organization that provides wrap-around care to more than 2,000 veterans in the San Francisco Bay Area each year. We are committed to helping veterans break through the cultural, educational, psychological and economic barriers they often face in their transition to the civilian world.
