Dual Careers

Dual Career Resources is for partners of newly hired Berkeley Lab employees seeking employment. This site provides information and tips related to careers and job hunting.

UC Dual Career Resources:

- UC Berkeley - Berkeley Spouses & Partners Association (BSPA) - Welcomes and supports the spouses and partners of UC Berkeley students, post-docs, visiting scholars and other affiliates. The BSPA plays an important role at UC Berkeley by increasing the role of spouses and partners and integrating their many talents into the wider community.

- UC Berkeley - CALciierge - Supports the recruitment and retention of faculty. CALciierge services include both relocation services to prospective and new faculty and dual career services for the accompanying faculty spouse or partner as well as to the spouses or partners who are part of the University faculty retention effort.

- UC Davis - Partner Opportunities Program (POP) - Service designed to support department and deans offices in the recruitment and retention of outstanding faculty. Eligibility is limited to full-time Academic Senate Ladder Rank faculty, Cooperative Extension Specialists, and members of the Senior Management Group.

- UC Santa Cruz - Dual Career Resources - Job search tips, interview tips, career networking tips, academic resources, education K-12, non-profit career, employer resources, and specific career fields.
